9. Conclusion

1. Introduction :

The Department of Computer Science and Engineering, in association with the ACM AITM Student Chapter and the Training & Placement Cell, organized a distinguished Guest Talk on “Shaping Your Career in the Age of AI” on 23rd August 2025.

The event aimed to guide students on how to adapt, learn, and build the right mindset in the rapidly evolving era of Artificial Intelligence. It served as a platform for students to interact with an industry expert and gain valuable insights into career planning, skill development, and embracing lifelong learning.

2. Objectives of the Event :

The objectives of this event were:

- To inspire students to prepare for future careers in the AI-driven era.
- To highlight the importance of continuous learning and adaptability.
- To provide industry insights on skills and mindset required to stay relevant.
- To encourage students to embrace communication and interaction with experts.

3. Relevance to PO's :

The following Program Outcomes (POs) are relevant to the event:

- PO10: Communication
- PO12: Life-Long Learning

4. Audience Target :

The audience for this event included students from all departments of Angadi Institute of Technology & Management, along with a few faculty members who participated in the session.

5. Speaker Invited :

Mr. Chetan Mutalik Desai.

- Principal Product Manager at Microsoft, Washington, USA.
- Over two decades of expertise in identity, security, and enterprise software.
- Graduated in Computer Engineering from Pune University (2001).
- Worked at Persistent Systems for 17 years, rising from developer to consultant and leading the Identity & Security practice.
- Since 2018, part of Microsoft's Identity & Network Access team, shaping strategies and developing features used globally.
- His journey emphasizes stepping out of comfort zones, adapting to change, and continuous learning.

6. Venue, Date and Time :

The event was conducted on 23rd August 2025 at 10:30 AM in the AITM Auditorium.

7. Team :

Core Team:

1. Chair – Miss. Ranjita Malagali
2. Vice Chair – Miss. Pragati Gangoji
3. Treasurer – Mr. Ayan Chajju
4. Secretary – Mr. Shivshankar Hosatot
5. Webmaster Head – Miss. Khatija Dalawai
6. Technical Head – Mr. Suraj Mutagond

9. Conclusion :

The Guest Talk on “*Shaping Your Career in the Age of AI*” proved to be a highly impactful and insightful session. It gave students a clear understanding of the importance of adaptability, continuous skill development, and effective communication in the modern AI-driven world.

The session motivated students to embrace a mindset of lifelong learning and prepared them to become future-ready professionals capable of thriving in dynamic technological environments.

“Learning never stops – in the Age of AI, adaptability is the real superpower.”
